This sad little lizard told me that he was a brontosaurus on his mother's side. I did not laugh; people who boast of ancestry often have little else to sustain them. Humoring them costs nothing and adds to happiness in a world in which happiness is always in short supply.

A putt that stops close enough to the cup to inspire such comments as "you could blow it in" may be blown in. This rule does not apply if the ball is more than three inches from the hole, because no one wants to make a travesty of the game.

Farewell a long farewell, to all my greatness! This is the state of man.
Today he puts forth The tender leaves of hope; tomorrow blossoms, And bears
his blushing honors thick upon him; The third day comes a frost, a killing
frost.

The Diddle factor changes things so that the equation and the universe appear to fit, without requiring any real change in either. This has the characteristic of eliminating differences by dropping the subject under discussion to zero importance.

Security is mostly a superstition. Security does not exist in nature, nor do the children of men as a whole experience it. Avoiding danger is no safer in the long run than outright exposure. Life is either a daring adventure or nothing.
